# 2022

## **EXECUTIVE NEWS \* Sept meeting was postponed till next week \***

Saturday October 15 will be a full afternoon and evening of events. Unit game, Unit AGM, BBQ, Life Master Awards, end with a 7:15 pm Club appreciation game. PLEASE PLAN TO ATTEND

New Virtual Schedule is now in place next month Manitoba changes time on November 6th so watch for those time changes.

I was asked to repeat this: You will notice that the fund raising sheet has been taken down. We reached approximately \$12,000 of the targeted \$17,000 and work is now completed on the Roof Top Units upgrades that were needed. Maintenance has reported to the BOD that another full review of what is required will take place this fall. So the BOD decided to just add the surplus from the Life Master BBQ on October 15 to the fund and wait and see, as the present furnace will be good for at least this winter. (Just in from the treasurer: Raised was \$11,993.89, repairs completed \$3,238.09 left for replacement furnace and A/C is \$8,755.80 plus proceeds from Life Master BBQ.)

The Club President is reviewing all the tasks that are now being handled to see if some more work can be spread around so as to make it more attractive to find a replacement Club Manager. Hopefully the new editor will announce those findings shortly.

**MASKING POLICY IS TO BE REVIEWED AT THE NEXT BOD MEETING THIS WEEK  
FULLY VACCINATED IS STILL IN PLACE.**

We appreciate the support of

IT WASN'T SO MUCH THAT ED'S CELL PHONE RANG DURING THE SUNDAY SERMON, IT WAS THAT HIS RING TONE WAS "HIGHWAY TO HELL"

Sorry to bother you, sir—we were told there was a man in the park wearing a dress and torturing a bag full of cats.

Personally I think they should arrest the person complaining!

### 11 PEOPLE ... ON A ROPE

Eleven people were hanging on a rope, under a helicopter.

10 men and 1 woman.

The rope was not strong enough to carry them all, so they decided that one had to leave, Because otherwise they were all going to fall.

They weren't able to choose that person, until the woman gave a very touching speech.

She said that she would voluntarily let go of the rope, because, as a woman, she was used to giving up everything for her husband and kids or for men in general, and was used to always making sacrifices with little in return.

As soon as she finished her speech, all the men started clapping . . . . .
